## **ASSP - MEC President** Message

On behalf of the Executive Committee of the American Society of Safety Professionals – Middle East Chapter, and its members, I would like to extend an invitation to your esteemed organization, to actively participate by sponsoring our upcoming 14th Professional Development Conference and Exhibition event, which will be held during the period of January 22 – 26, 2023, in the Kingdom of Bahrain. This is the premier HSE conference in the region, and always attracts keen interest from the major stakeholders in the region including academic institutions, oil and gas companies, and government organizations. This event is also a great opportunity for suppliers and vendors to showcase their products and services and network with the attendees. I do encourage you to actively participate as a sponsor of this great event and also benefit from the many opportunities for your staff to learn, discover, and interact with their peers. It will be my pleasure to discuss the various ways in which you can participate, at your convenience.

## Introduction

The American Society of Safety Professionals (ASSP) is an independent nonprofit professional organization with more than 34,000 professional members worldwide. The ASSP's mission is to foster the technical, scientific, managerial and ethical knowledge, skills and competency of health, safety and environment (HSE) professionals for the protection of people, property and the environment. The Middle East Chapter (ASSP-MEC) was established in 1982 and has held several conferences and technical meetings in the Gulf region. These events have attracted many international speakers, a variety of exhibitors and a large number of attendees. The broad range of subjects addressed, the sharing and dissemination of knowledge, and the resulting discussions made previous conferences a recognized success.

## Conference Objectives

The 14<sup>th</sup> ASSP-MEC Professional Development Conference & Exhibition aims to achieve the following objectives:

1. Highlight the HSE challenges facing the industry and society worldwide and in the Middle East.
2. Share innovative solutions to address these challenges.
3. Present an opportunity to network with other experienced professionals working in relevant fields.
4. Demonstrate the latest HSE products and services in the region.

# Conference Topics

The industry and the public in this region and around the world are currently facing an increasing number of challenges. The objective of this conference is to present the latest innovative approaches being developed to address these challenges, and share solutions that enable the industry to continue its operations while maintaining the highest level of HSE standards. The challenges facing the industry include the growing concern about the impact of major incidents on safety and the environment; the high costs and financial liabilities associated with incidents; tighter regulations and stronger environmental requirements; the ever-increasing number of traffic accidents, security issues in industrial facilities; cyber security and information protection; and aging infrastructure and its impact on safety.

The conference covers all aspects of HSE related to the process industries (i.e., oil, gas, chemical and petrochemical industries) as well as the public. The following are examples of issues that will be covered during the conference:

## 1. Safety Leadership:

- Safety culture and effective leadership
- Legislative advancement, compliance and best practices
- Sustainable safety performance

## 2. Risk Management:

- Growing reliance on risk assessments as a decision making tool
- Public perception of safety and cultural impacts on risk assessments
- Operational safety and real-time monitoring/measurement of risk
- Enterprise risk management

## 3. Process Safety:

- Land planning and management of public encroachment on industrial facilities
- Aging infrastructure and its impact on safety

- Pipeline safety and risk management in highly populated areas
- Post-accident management and emergency response plan (ERP) activation challenges
- Emergency response and disaster management

### 4. Security:

- IT security and information protections from cyber-attacks; its impact on safety/security
- Security of chemical storage facilities
- Facility security and protection from third-party impacts

### 5. Environment and Health:

- Pollution and hazardous waste management in highly industrialized areas
- Workplace safety and health.
- Environmental challenges of new economic activities in the region (e.g., plans to invest more in downstream/ petrochemical industries, comparison between the environmental situation and international standards, etc.)
- Carcinogen control

### 6. Contractor Safety:

- Construction site safety
- Contractor injury reporting
- Contractor safety assessments

### 7. Special Topics:

- Mining Safety
- Transportation and traffic safety
- Aviation safety
- Fire prevention and enforcement of building codes
- Sharing of best practices and lessons learned from incidents
- Chemical laboratory safety

## Sponsorship & Marketing Opportunities

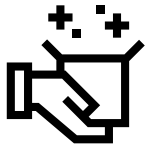

Leading companies and consultants in the oil, gas, petrochemical and other industries have expressed their support for this event. This support is provided because these organizations and individuals believe that HSE issues are of significant importance in this region.

Both the conference and the exhibition provide a great opportunity for networking. The conference sponsors will enjoy direct access to potential and existing clients from their target market. Significant emphasis is placed upon the quality of the conference program that will attract key safety professionals from the region. This plays a crucial role in ensuring that the people you meet at the event are the people important to your business.

The Organizing Committee has established the following categories of sponsorship:

## Partner Sponsorship

Fee: US\$ 100,000

### Partner Sponsorship Benefits:

- Company logo on all conference publications
- Company logo branded on ASSP-MEC website for this event, with a facility to hyperlink back to their homepages (positioned as partner sponsor)
- Company on inaugural conference backdrop
- Flag featuring the Company logo, prominently positioned in the conference room throughout the event, and during all other planned conference activities
- Five (5) complimentary conference registrations
- Five (5) invitations to the opening ceremony
- Partner's logo on invitation cards to be sent to conference guests
- Company logo on the delegate lanyard
- A one-page A4 insert in the delegates' pack
- Free exhibit booth space (approx. 6 x 4 meters)

## Platinum Sponsorship

Fee: US\$ 75,000

### Platinum Sponsorship Benefits:

- Company logo on all conference publications
- Company logo branded on ASSP- MEC website for this event, with a facility to hot link back to their home pages (positioned as platinum sponsor)
- Flag featuring the company logo, prominently positioned in the conference room throughout the event
- Three (3) complimentary conference registrations
- Three (3) invitations to the opening ceremony
- Free exhibition space (approx. 6 x 2 meters)

## Gold Sponsorship

Fee: US\$ 50,000

### Gold Sponsorship Benefits:

- Company logo on all conference publications
- Company logo branded on ASSP-MEC website for this event, with a facility to hot link back to their home pages (positioned as gold sponsor)
- Flag featuring company logo corporate logo, prominently positioned in the conference room throughout the event
- Two (2) complimentary conference registrations
- Two (2) invitations to the opening ceremony
- Free exhibition space (approx. 3 x 2 meters)

## Silver Sponsorship

Fee: US\$ 35,000

### Silver Sponsorship Benefits:

- Company logo on all conference publications
- Company logo branded on ASSP-MEC website (positioned as silver sponsor)
- One (1) complimentary conference registration

## Nightout Sponsorship

Fee: US\$ 30,000

As part of the event, a social nightout packed with all of the traditions that have made the Kingdom of Bahrain famous, will be held.

### Nightout Sponsorship Benefits:

- Flags and banners featuring their corporate logo prominently positioned in the night out area.
- Company logo branded on ASSP-MEC website (positioned as Nightout Sponsor)
- Company logo on the nightout registration form
- Two (2) complimentary conference registrations
- Two (2) invitations to the opening ceremony
- Free exhibition space (approx. 3 X 2 meters)

## Delegate Passport Sponsorship

Fee: US\$ 20,000

The Delegate Passport is the key to navigating the exhibition. The passport lists all companies exhibiting and their stand numbers, as well as a map of the exhibition hall. Delegates will be able to collect stamps from each exhibitor by visiting their booth. Delegates who visit the minimum required number of booths will be eligible to submit their completed passport to enter a lucky draw for a fantastic prize.

### Delegate Passport Sponsorship Benefits:

- Company logo on the cover of the passport
- Company logo branded on ASSP-MEC's website
- A brief description in the passport in a prominent place
- Advertisement in the conference Proceedings

## Delegate Lanyard Sponsorship

Fee: US \$20,000

### Delegate Lanyard Sponsorship Benefits:

- Company logo on the delegate lanyard
- Company logo branded on ASSP-MEC's website

## Promotional Items Sponsorship

Fee: US \$15,000

The sponsor will fund promotional items (pens, pads, gifts, etc.) to be placed inside the conference delegate bags.

### Promotional Items Sponsorship Benefits:

- Company logo branded on ASSP-MEC's website

## Coffee and Tea Sponsorship

Fee: US\$ 10,000

### Coffee & Tea Sponsorship Benefits:

- Company logo printed on a banner suspended above the coffee lounge for the day of sponsorship
- Company logo on tent cards and napkins at coffee break tables. (Napkins will be also funded by sponsors)
- Company logo branded on ASSP-MEC's website

## Opening Ceremony Keynote Speakers

A'ali M. Al-Zahrani, Executive Director of Safety & Industrial Security, Saudi Aramco

Rixio Medina, ASSP President

Husam E. Al-Khalidi, ASSP-MEC President

Ali M. Ghobari, ASSP-MEC Vice President & Conference Director

Munirah Al-Subait, Master of Ceremony

## Awarding Key Speakers

## Exhibiting Opportunities

### Key reasons to participate:

- Generate new sales leads
- Launch and demonstrate the latest industry (HSE) products and services
- Meet with existing and potential clients
- Maintain and raise company exposure within the industry
- Network with leading industry figures
